**The agenda items of the meeting were taken up as follows:**

**SC/12/01: PROGRESS REPORT OF THE UNIVERSITY – PRESENTATION BY THE VICE-CHANCELLOR**

Some glimpse of Shri Vishwakarma Skill University has been presented by the Hon'ble Vice-Chancellor.

SVSU has made significant progress in the last couple of years, and finally reached many this. This year University has come out with more number of seats within more number of programs with almost 1,874 seats in 49 programs, which includes the funded seats by the industry as well. More than 11 new MoUs have been signed, and taking the total number of MoUs to 230 more than 12,000 hard-bound books are there in the library, and more than millions of soft-bound knowledge materials is available to the access of students. University has done a significant amount of excellent work when it comes to placements with around 82% of the pass outs have got placements, and more than 41 companies have been reached out for placements this year. The Skill Innovator Foundation (SIF) has brought the entrepreneurial rigor in the organization, and currently, 30 students are going through that entrepreneurship development program which is funded by SIDBI. Students will be provided with the facilities and support of the Incubation Center in the university.

The Assessment and Certification Department (ACD) has started the Guru Shishya Samman Yojana Scheme of the Government of Haryana, which will have a significant impact on the people who are experienced in the State, and who can perform the role of Gurus. The department has already started with 2 job roles. One is the *Saloon Stylist*, and another is in the *Home Furnishing Berry Maker*. In next 5 years, the target is almost 25,000 Gurus and 75,000 Shishya. The administration Department has initiated the development of ERP. The university has offered skill Ph.D. admission for the academic session 2024-25 with more than 140 applications received. It is a unique kind of skill Ph.D. program that is completely aligned with the industry requirements focusing on the outcome based PhD, degree. which is economic or the social impact creation through these programs and focusing on the industry-specific issues.

University has performed well in this year World Youth Skills Competition with some of the students have also won bronze and medals of excellence. The Center of Excellence (CoE) in the University is equipped with labs of new and emerging technologies like CNC and advanced CNC, Electric Advance Welding, Solar and Advanced Mechatronics, and the Robotics. These labs set this center of excellence apart from others. The consulting work that the university has also started gives us a lot of results and it is another pipeline of building our own funding structure and at the same time providing consulting support to government and non-government organizations.

The Innovative Skill School that the University started a couple of years back is running successfully, and the demand for the seats is continuously increasing.

Besides this, many other departments have done a significant amount of work in strengthening the brand image of Skill University. HVC wished all staff members by saying "I'm sure in the coming days you may be doing even better than what you are doing today."

All members of the Skill Council appreciated the Hon'ble Vice-Chancellor and SVSU team for their progress and for being pioneers in Skill Education.
