Programme Model & Pedagogy

SVSU has built a strong partnership with the Industry to facilitate students' employability and entrepreneurship through the On-the-Job Training (OJT).

The University has designed, developed and deployed Industry Integrated Dual Education Model (IIDEM) that facilitates “Earn-While-Learn” and provides the students with the opportunity to enhance their qualification with flexibility of entry and exit into a programme.

SVSU has conceptualized IIDEM programme with various Industry Partners, which is designed in such a manner where 60 % of the credits are earned while working on the OJT, integrated with National Apprenticeship Promotion Scheme (NAPS), offering stipend.

The classroom training shall be imparted by the SVSU faculty and other industry experts. Practical & workshop experience are the key components of the overall training methodology. 40% of the credits shall come from the theoretical and conceptual training. The entire pedagogy is designed to develop application-based experiential learning that will make students job-ready from day one.

On-the-Job Training (OJT)

The OJT is a mandatory constituent of the programmes offered by SVSU. The department will accommodate the students to get OJT across different job-roles in each semester so as to focus on outcome-based learning. As a part of programme's training delivery, all students will have to undergo OJT schedule at the industry partner's shop floor/ workplace to work on the actual machines/ business processes. OJT working hours shall be linked to the required credits for the programme. The daily duration of OJT shall be a maximum of nine (09) hours. The OJT shall be carried out under the supervision of supervisor-cum-trainer nominated by industry partner. The OJT areas are subject to availability; students cannot claim for specific OJT areas. It is mandatory that students comply with Industry OJT requirements including rules and discipline prescribed by the OJT partner.

- (a)** The students during their OJT shall:
- (b)** Work in the available OJT areas as assigned by SVSU/ industry mentors.
- (c)** Observe the industry's occupational health and safety rules and processes.
- (d)** Follow the rules and instructions of SVSU and OJT partner.
- (e)** Abide by the rules and standard operating procedures of the industry as applicable to working on the shop floor/ work place
- (f)** Be in the uniform of University/OJT partner as applicable.
- (g)** Maintain their daily OJT diaries as allotted to them at commencement of each semester filling the details about:
 - 1.** One Observation of the day
 - 2.** Job Assigned
